

SAFER

Smart Atlantic Seafood Clusters

Agenda for SAFER's workshop, Business2Sea 2020

Targeted for the seafood industry, this workshop will showcase the pilots implemented and tested during the Safer project on a limited number of companies, now ready to be extended and reach a wider target group of recipients.

Date: 18th November 2020

Time: 11:30 – 13:00 CET

Location: Online. Register for free [here](#)
